Transform your doors with affordable luxury!

Rtree Dor-Laminates believe that elegance should never come at a high cost. Our door laminates redefine style, offering a stunning array of designs that effortlessly elevate the look of any space. Whether you prefer modern minimalism or classic sophistication, our laminates provide a premium finish that is both beautiful and durable.

True to our tagline, “Affordable Luxury for Every Door”, we combine exceptional quality with affordability, making it easier than ever to bring your design dreams to life. With our laminates, your doors won’t just open; they’ll make a statement.

Rtree Dor-Laminates is a premium lamination solution specifically designed for doors, used together with our high-quality Rtree water resistant board (HDMR). With this perfect combination, doors made using Rtree series of products ensures durability, water resistance, and long-lasting performance. With an unlimited length option to cater to any door heights, Rtree Dor-Laminates offers exceptional versatility for both residential and commercial applications.

Affordable Luxury for Every Doors

LUXURY

series

Step into a new era of elegance and innovation with the **Luxury Series by Rtree Dor-Laminates** - Crafted with precision and sophistication, this series is engineered for those who seek the timeless charm of natural wood with the durability and ease of laminate.

What sets the **Luxury Series** apart is its breakthrough **CLP Technology**, a cutting-edge process that creates of exceptionally realistic woodgrain textures and patterns, giving each panel the authentic appearance of real wood veneer—without the limitations or maintenance issues of natural materials.

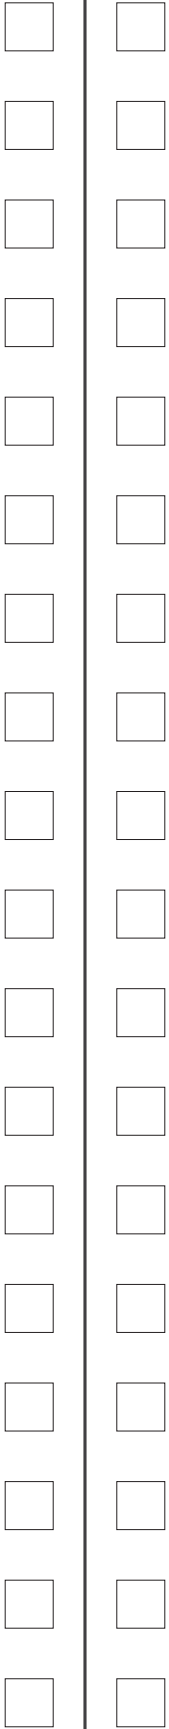

The result is a surface that not only looks remarkably natural but also performs exceptionally well in terms of wear resistance, stability, and longevity.
